ANNUAL TOWN MEETING WARRANT

State of New Hampshire

To the Inhabitants of the Town of Haverhill in the County of Grafton qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the twelfth of March, 1946, at ten o'clock in the forenoon to act on the following matters:

Article 1. To choose a Town Clerk.

Article 2. To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners and any other Town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To choose one Selectman for the term of three years, a Town Treasurer, one or more highway agents, one or more Auditors, one Library Trustee for the term of three years, one Cemetery Commissioner for the term of five years, one Trustee of Trust Funds for the term of three years, and all other necessary Town officers.

Article 4. To see if the Town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the Town, as recommended by the finance committee in its budget report, to raise and appropriate all sums so determined for the purposes so determined, and to pass any other vote relating thereto.

Article 5. To see if the Town will vote to contribute funds for the construction of Class V highways as provided in Chapter 188, Part 13, Laws of 1945, and to raise and appropriate the sum required for this purpose.

Article 6. To see if the Town will vote to authorize the Selectmen to issue interest bearing notes or orders to provide for the current year's expenses in anticipation of taxes.

Article 7. To see if the Town will vote to authorize the Selectmen to distribute the inventory blanks by mail or at the time they examine the taxable property.

Article 8. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.

Article 9. To see if the Town will vote to appoint or elect a budget committee to supervise the appropriations of the Town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 10. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expense of such audit.

Article 11. To raise and appropriate the sum of six hundred dollars, to be deposited in the Woodsville Guaranty Savings Bank, the interest and principal to be expended under the authority and direction of a committee of three appointed by Post No. 20 Department of New Hampshire the American Legion in caring for residents of the Town who were members of the armed forces on active duty in time of war.

Article 12. To see if the Town will vote to discontinue as an open highway, the road described as follows: Beginning on the northerly side of Mill Street, so-called, in the village of Woodsville, at the intersection of the road extending northeasterly from said Mill Street a distance of about five hundred feet to the Tilton Meadow, so-called, and being the whole of said highway as above-described.

Article 13. To transact any other business proper to come before said meeting.

Given under our hands and seal this 19th day of February, A. D. 1946.

ROY E. DUNKLEY,
MAURICE R. YOUNG,
T. BORDEN WALKER,

Selectmen of Haverhill.

REPORT OF SELECTMEN

To the Taxpayers and Citizens of Haverhill:

We herewith submit our report for the year ending Dec. 31, 1945.

Heretofore we have closed our books on Dec. 31, 1945.

Our detailed statement will be found on the following pages.

The Town Officers' books were audited by the State Auditors, and pronounced to be in excellent condition.

The new Grader arrived and is certainly a fine piece of equipment. This machine should last for a good many years, and we are very fortunate in obtaining this equipment under present conditions.

Tax collections for this year were exceptionally good, and a great deal of credit should be given our Tax Collector.

The Town Poor account is about the same as 1944, but Old Age assistance has taken a considerable increase. The figures for 1944 were \$3,065.95 compared to \$4,525.45 in 1945.

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

February 23, 1946

Board of Selectmen
Haverhill, New Hampshire

Gentlemen:

Submitted herewith is the report of an audit and examination of the accounts of the Town of Haverhill for the fiscal year ended December 31, 1945, which was made by this Division in accordance with the vote of the Town. Exhibits and Schedules as hereafter listed are included as part of the report.

Scope of Audit

Included in the audit and examination were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent, Trustees of Trust Funds and the Haverhill Cemetery Association.

Financial Statements

Balance Sheet—December 31, 1945: (Exhibit I)

A balance sheet, as of December 31, 1945, has been prepared and is presented in Exhibit I.

Increase of Net Debt:

As shown by Exhibit I, the Net Debt increased during the year by \$4,683.07. This resulted principally from the issuance of notes and an appropriation balance due the Woodsville Fire District for the purchase of new equipment. These items affecting the increase were partially offset by the retirement of bonds and a net budget surplus. The change in financial condition of the Town during the year may be summarized as follows:

Net Debt, December 31, 1945	\$45,930.49	
Net Debt, December 31, 1944	41,247.42	
	<hr/>	
Increase in Net Debt		\$4,683.07

Increases

Notes Issued	\$8,000.00	
Appropriation balance—Woodsville		
Fire District, new equipment	5,450.53	
	<hr/>	\$13,450.53

Decreases

Bonds Retired	\$5,000.00	
Net Budget Surplus	2,995.47	
Other Items	771.99	
	<hr/>	8,767.46
		<hr/>
		\$4,683.07

Summary of Receipts and Expenditures: (Exhibit II)

A summary of receipts and expenditures for the fiscal year ended December 31, 1945, made up in accordance with the uniform classification of accounts, is included in Exhibit II.

Comparative Statements of Appropriations and Expenditures—

Estimated and Actual Revenues: (Exhibits III & IV)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1945, are presented in Exhibits III and IV. As indicated by the budget summary an excess of actual over estimated revenues of \$5,098.85, less a net overdraft of appropriations of \$2,103.38, resulted in a net budget surplus of \$2,995.47.

Statement of Bonded Debt and Annual Maturities: (Table I)

A statement of bonded debt as of December 31, 1945, indicating annual maturities thereafter is presented in Table I.

Ten Year Statements of Indebtedness, Valuation and Taxes: (Tables I & II)

Summarized statements of Indebtedness, Valuation and Taxes, covering a ten-year period, prepared from reports on file in the office of the Tax Commission, are presented in Tables I and II.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source and totals of receipts and expenditures verified. Proof of the Treasurer's balance as of December 31, 1945, is indicated in Schedule A.

Tax Accounts

Tax warrants for the levies of 1945, 1944, 1943 and 1942, and tax sale accounts for the levies of 1944, 1943, 1942, 1941, 1940 and 1939, were examined and audited. Summaries indicating the activity in these accounts during the fiscal year ended December 31, 1945, are presented in Schedules B-1, B-2, B-3, B-4 and B-5, respectively.

Town Clerk

The accounts and records of the Town Clerk were examined and audited. All funds received by the Clerk on account of the issuance of motor vehicle permits, dog licenses and sale of Town histories were properly accounted for through remittances to the Treasurer or fees retained. (Schedule C)

Conclusion

The accounts and records of all town officials were found in good condition and the accounting procedure conformed to the uniform system prescribed by this Division.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual Town Report.

We extend our thanks to the officials of the Town of Haverhill for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director

Division of Municipal Accounting,
State Tax Commission.

LAWTON B. CHANDLER, Auditor

HARRY G. HAGER,

Personnel

There were seven changes in the teaching staff—two in the Grade School and five in the High School. Matrimony claimed Miss Ina Morrill, and Miss Barbara Purmort, a graduate of Keene Teachers' College, 1937, with several years experience in New Hampshire schools, was hired to fill the vacancy in Grade 2. Miss Alberta Fissette, who had rendered excellent service in the Third Grade for several years, resigned to accept a more lucrative position elsewhere, and Miss Alice Rosa of Ryegate, Vt., a teacher with several years successful experience was secured to fill the vacancy in the Third Grade.

The following teachers discontinued their services at the High School for various reasons. Era Del Giudice, Barbara

Ferrin, Katherine Micka, Mrs. Harriet Hartford Martin and Claire Emerson. Owing to some changes in teaching assignments the new teachers do not all exactly replace the retiring teachers.

As submaster the Board hired Mr. Normand Paquette of Wellesley, Mass., a graduate of Bridgewater Teachers' College with college work at the University of Ottawa, and with four years successful experience in Vineyard Haven, Mass. Mr. Paquette is assigned 11th and 12th grade English, Latin and French. He is studying at Middlebury College for his Master's degree in English at the Bread Loaf English School.

Mr. Frank Woodward, an alumnus of Woodsville High School with years of teaching experience in Haverhill Academy and Sanborn School, was engaged to teach Mathematics and Physics. Mr. Woodward is a graduate of New Hampshire University.

Miss Lois Litz of Monson, Mass., a graduate of Massachusetts State College, 1945, was hired by the Board to teach the other sciences and to direct the physical training of the girls.

Mrs. Arlie Covell, a graduate of Keene Teachers' College, 1945, was engaged as teacher of Home Economics and Sociology.

Miss Dorothy Richards of Worcester, Mass., a graduate of Massachusetts State College, 1945, was secured to teach 9th and 10th year English and History.

I think the addition of two men to the High School staff in this period of emergency is one of the most significant advances that has been made.

Mr. G. Hampton McGaw has been temporarily engaged to assist with the Manual Training at the Grade School.

The Grade School now displays on its Bulletin Board a certificate from the National Education Association stating that it is a 100% School, all teachers being members. This is a recognition of the high degree of professional interest and spirit of this teaching group.

Mr. Cecil Langway who had served very efficiently as Janitor of the Grade School for over a year resigned and his place is being ably filled by Mr. T. G. Cummings.

Budget

The estimates recommended by the School Board call for about the same appropriation as last year. One item (\$544.00) for Teachers Retirement appears for the first time, which is a statutory item required by the passage of the Teachers Retirement Fund by the last session of the General Court. Article 9 provides for \$1,000.00 for the Public Library and Article 10 seeks an appropriation to improve and repair the Grade School grounds. The walks are all in a sad state of disrepair and the concrete apron next to the building has shrunk away from the foundation permitting water often to enter the basement. The grounds at best are altogether too small for over 200 children. In wet periods the surface is a sea of mud and water. The plan so far as it has matured would seek to drain off the water and then resurface the play areas.

Repairs

At the High School the water pressure was so low due to the corrosion of the pipe leading from the main to the building that it had to be replaced by a 1½" pipe which necessitated opening the ditch 100 ft. long and 6 to 7 ft. deep. This furnishes enough water and pressure to make the water system function properly in all parts of the building. The principal's office was re-arranged and divided with a counter. The program clock was repaired and adjusted which added a great deal to the efficiency of the school routine. Many of the desks in both schools were sanded and varnished. In both schools, too, some of the old cement floors were re-surfaced with plastic rock. At the High School the laboratory, Mechanical Drawing room, and two more classrooms were equipped with fluorescent lights. I think the Home Economics laboratory and the principal's office should follow this summer and a start should be made in the Grade School on improved artificial lighting. The buildings are in a good state of repair and year by year the Board strives to make all the improvements that funds permit.

Reference has been made in this space for two or three years to the need for additional room at the High School, which would permit a broadened curricular offering. This would indicate an additional building (the present building not being

adapted for additions) which would provide suitable and efficient facilities for Science laboratories, Mechanic Arts, and Home Economics. Already the Federal Government is allocating funds to assist Municipal authorities in preparing plans, blue prints and estimates. Many people feel that later there will be another W.P.A. to get public building started so as to provide the sixty million jobs that Washington says are essential to the security of the country. It might be wise to be ready with a program if and when that time comes.

Again I feel that the community owes a deep debt of appreciation to the Lions Club for the preparation and maintenance of the skating rink, which contributes so much to the joy and health of the children.

For the cooperation of the School Board, for the continued support of schools by the citizens of Woodsville, and for the loyalty of teachers and pupils, I must express my heartfelt thanks.

Respectfully submitted,

WESLEY H. DOUGLASS,
Superintendent of Schools.

Woodsville, N. H.

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I herewith submit my second annual report of Woodsville High School for the year ending January 31, 1946.

The enrollment for the year 1944-45 included 119 pupils of whom 50 were boys and 69 were girls. This total was 14 less than the preceding year.

Distributed according to classes they were:

Seniors	29
Juniors	28
Sophomores	25
Freshmen	37

Graduates

In June of 1945, diplomas were awarded to the following students:

1. Boyd, Andrew	16. McCarthy, Paul
2. Byrne, William	17. McQuesten, Louise
3. Carpenter, Lillian	18. Nelson, Louise
4. Chamberlin, Eula	19. Palmer, Earl
5. Choate, Doris	20. Ricker, Philip
6. Clement, Marjorie	21. Thornton, Beverly
7. Cummings, Marjorie	22. Tibbitts, Elizabeth
8. Currier, Robert	23. Ward, Mary
9. Darby, Francis	24. Washburn, Donald
10. Gibson, Ruth	25. Weare, Kathleen
11. Gilman, Sally	26. Willis, William
12. Gowitzke, Charlotte	27. Wilmot, Betty
13. Jenkin, Lois	28. Worden, Gwendolyn
14. Martin, Donald	29. Mann, Henry
15. Martin, John	30. Jordan, Trenholm

Scholarships

The following scholarships were awarded in academic work:

First Place: Eula Chamberlin
Second Place: Doris Choate
Third Place: Lois Jenkin

The Alumni Attainment Award was given to Robert Currier; the Music Awards were given to Robert Currier and Gwendolyn Worden; the Science Award to Francis Darby; the Becker College Award to Beverly Thornton; the James Jackson Award to Eula Chamberlin.

Curriculum

At the beginning of the school year 1945, the range of the Woodsville High School curriculum was increased by the addition of the Mechanical Drawing course taught by Mr. Pendo. It was felt that the boys of the school needed some form of technical training; and therefore, the Mechanical Drawing course was decided upon, and provision was made to accommodate fourteen students. This course proved to be one of the most popular and one of the most worthwhile of the entire school curriculum.

There were no other major changes in the curriculum.

Extra Curricular Activities

Under the sports program, basketball and baseball proved to be the most popular. In basketball, both the boys and the girls were runners-up in the Ammonoosuc League during the year 1944-45. In baseball, the boys won five of the seven games played.

Although football was not an organized sport, many of the boys participated in it by playing among themselves after school hours.

Other activities that found their places in the school curriculum to the great satisfaction of the student body were dances, class socials, Hi-Y meetings, and Girl Reserve meetings. In this new year, we also put in a Juke-box to help in the noon-hour problem, and it has proven to be very popular.

The Junior Class put on a play entitled "The Bargain Bride" under the direction of Mrs. Martin.

The school paper, CYCLE, proved to be of great interest to the student body.

Faculty

In September, 1945, the following new teachers were hired:

Mr. Normand Paquette, to teach languages and be an assistant to Mr. Pendo.

Miss Lois Litz to teach Sciences and coach girls' basketball.

Miss Dorothy Richards to teach English and Economic Geography.

Mrs. Arlie Covell to teach Home Economics and Sociology.

Mr. Frank Woodard to teach Mathematics and Business Training.

During the year, Woodsville High School maintained a very high standard in its academic work. Records also show that the attendance per pupil was increased and tardy cases diminished. A contest was held every month between the classes to eliminate tardy cases, and this proved to be a worthwhile procedure.

Woodsville High School boys and girls participated in the helping out in the farm program by giving their time and effort to the farmers of this vicinity. Whenever called upon, they were always ready to do their part in the harvesting of the fall crops, due to the man-power shortage.

War Savings stamps and bonds were also sold in the school and 90% of the students did their part by buying these stamps and bonds.

I can truthfully state that Woodsville High School has progressed in many ways in the last few years, and this progress will continue in the years to come.

Respectfully submitted,

ANATOLE G. PENDO, Headmaster.

SCHOOL DISTRICT WARRANT FOR HAVERHILL

The State of New Hampshire

To the Inhabitants of the School district in the town of Haverhill, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 16th day of March, 1946, at 10 o'clock in the A. M. to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

Given under our hands at said Haverhill this 9th day of January, 1946.

REPORT OF THE SCHOOL BOARD OF HAVERHILL

We, the undersigned members of Haverhill School Board, beg to submit the following report:

During the summer vacation the exteriors of the school building at Pike and Center Haverhill were painted under contract with George Blake at a cost of \$257.00. The chairs and desks at Haverhill Academy and Haverhill Graded School were renovated by Harry Woods of Lisbon, entailing an outlay of \$153.15, and a very excellent job was done, making both chairs and desks look like new. An extensive repair job in connection with the water-system at North Haverhill School was carried out by the Woodsville Hardware Co., who also cleaned the boilers at Haverhill Academy, Alumni Hall, North Haverhill and Pike Schools, and replacing defective parts. The expense involved in carrying out that work was about \$203.00.

We desire to call attention to the annual report of Superintendent Wesley H. Douglass and of the Headmaster of Haverhill Academy, Friend H. Jenkins.

The budget covering the fiscal school year, beginning July 1, 1946 has been prepared with great care, showing an increase of about \$1,000.00 over last year. This is chiefly due to the fact that it will be necessary to increase the salaries of some of the teachers, in order to retain their services, and also for calling for an appropriation of \$524.00 which amount our School District will be assessed by the Teachers Retirement Board after July 1, 1946.

The retiring member of the Board is Mr. Roe McDanolds of North Haverhill.

Respectfully submitted,

EMILE BLANK,
WM. H. SLIGHT,
ROE McDANOLDS,

Haverhill School Board.

Teachers and Pupils. There were two changes in the teaching, both in the Academy. Mrs. Doris Slight resigned after several years of successful service, during which she made a contribution to the youth of Haverhill that cannot be measured by dollars and cents. To fill this vacancy the Board elected Miss Phyllis Boles of Marshfield, Massachusetts, a graduate of Massachusetts State College in 1945.

Mr. Ansley, who stepped in the emergency when Mr. Woodward resigned, wished to be relieved, and Mr. James O'Connor of Amityville, Long Island, was secured to teach the social science and coach. Mrs. Louise Wilson of Pike asked for a leave of absence because of her health, and Mrs. Thelma Cote ably filled the gap. Mrs. Wilson resumed her duties again after the holiday vacation.

The Center Haverhill School we found to be overcrowded at the beginning of the year, so arrangements were made to convey the 7th and 8th grade pupils to the North Haverhill schools.

Buildings and Grounds. Because of the acute shortage of labor and materials only minor repairs were made, such as painting, setting glass, and other necessary improvements. The buildings are all in a good state of repair. The building at Haverhill used for the graded school is our worst problem of housing. It is crowded and the intermediate room is small and very poorly lighted. We should begin looking forward to the time suitable educational facilities may be provided for these children.

I have been concerned about the narrowness of the curriculum offerings at the Academy. My predecessor, Mr. Martin, proposed the introduction of an agricultural curriculum, which I repeated a year ago, but that requires building operations and an additional teacher which does not seem immediately possible. We now have bookkeeping and after careful thought, the Board has decided to round out this program with a full commercial curriculum which will include typing and stenography. This will not require building changes nor an extra teacher. We have reason to believe that this change will please at least some of the parents and we trust will meet the approval of all.

I would be ungrateful, indeed, if I did not again express my appreciation to the School Board for their continued backing

and support, and to the citizens, teachers and pupils of Haverhill for their loyalty and cooperation.

Respectfully submitted,

WESLEY H. DOUGLASS,

Superintendent of Schools.

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I submit herewith my twenty-second annual report of Haverhill Academy and High School for the year ending January 31, 1946.

There have been enrolled for the present school year 1945-46 to date seventy pupils of whom thirty-one are boys and thirty-nine are girls. There were sixty-six pupils enrolled at the beginning of the present school year. Of this number only three have left while four additional members have entered, making the present enrollment sixty-seven or one more than at the beginning of the year and eight more than for the corresponding period last year. It would seem that the decreasing enrollment of the war years has ended with the war and that the numbers would again increase to the normal of approximately one hundred to one hundred ten for the past ten-year average. Of the total enrollment for the year, fifteen are seniors, seventeen are juniors, thirteen are sophomores, and twenty-five are freshmen.

The following graduates were awarded diplomas in June: Edith Celley, Florence Conrad, Franklin Conrad, Elizabeth Cowan, Beverly Fadden, Robert Fillian, Norma Kelley, Walter Patten, and Carl Smith. Scholarship honors were won by Edith Celley, Robert Fillian, Walter Patten in the order named. Florence and Franklin Conrad were tied for fourth place. The Scholarship, Loyalty and Achievement Medal was awarded to Walter Patten. The combined Glee Clubs and graduating class presented another delightful and well received program as a part of the Commencement activities.

The activities program was limited during the spring term in keeping with the transportation ban. While a league baseball schedule was arranged it was practically rained out. Only one game was played. At no time during the season was the diamond available for practice. Something should be done to more adequately drain the Common. As it now is, it serves as a reservoir for most of the surface water on Court Street.

The regular league basketball schedule is being played this

year. The relatively poor showing from the standpoint of games won made by our 'Boys' team in particular, can be attributed, in part at least, to the fact that so few of them have any opportunity to play basketball before entering high school. The coaches are forced to use too much of the already short practice periods in developing some degree of skill in the rudiments of foot movement and ball handling alone before anything like team play is at all possible. Some more adequate provision should be made for giving the grade pupils an opportunity to play basketball if it is expected that our teams are to compete successfully with those surrounding schools with whom we play.

The music program has been almost non-existent this year. With the resignation of Mrs. Slight, no one on the present teaching force is qualified to carry on the Glee Club work. The good work done by Mrs. Robb in the grades both in vocal and instrumental music falls far short of its possibilities with no provision for a similar program in the high school. Consequently there is a need for at least a part-time teacher of both instrumental and vocal music. It is only by chance that a teacher can be found who is qualified to teach the variety of subject matter required of her in a small school program and also one who is able to teach the music too.

Except for the substitution of two one-half unit courses in business arithmetic and commercial law for world history, the program of studies is the same as last year. Copies of the program may be had at any time upon application. A broadening of the commercial subjects for next year is under consideration at the present time. Stenography and typewriting will probably be added to the program.

Much favorable comment has been received on the appearance of the school grounds due to the School Board's action in keeping the lawns mowed during the summer months.

The arms of all the recitation charis were resurfaced during the summer vacation. New cupboards for storage space have been added in the domestic arts laboratory, and installation of gas in the science laboratory is expected to be completed soon. Gas will also be piped to the domestic arts laboratory at the same time. This much needed equipment is a gift of the trustees.

Some repair and redecorating of the school building is necessary. Some work should be done in the basements to prevent the seepage of water and to provide adequate lunch and coat room. There is also a very great need for a room fitted to serve as a rest room for pupils who become ill during the school day. This is particularly necessary in view of the fact that most of our pupils are at a considerable distance from their homes.

The continued cooperation of parents and pupils and all officially connected with the school is herein acknowledged and deeply appreciated.

Respectfully submitted,

FRIEND H. JENKINS,
Headmaster.

Welcome Home

Welcome home, you service boys,
With all your tales to tell;
Welcome home from seas and isles
O, welcome back from hell.

O, welcome home with medals
And trophies in your pack;
With all your wounds and crutches,
O, gee, you're welcome back!

Old Main Street was so lonesome
When you left our streets and sod:
We prayed for you like pilgrims
With a fervent trust in God.

You knew that we were with you
In jungles, on the seas,
And by your vacant chair
Was mother on her knees.

You say that we weren't with you!
O, yes, so strange it seems;
But you'll never know how often
We saw you in our dreams.

Sometimes your wounds were bleeding,
And we couldn't lend a hand.
You were like a stricken vessel
A thousand miles from land;

Then next morn the mailman—
God bless his darling soul!—
Would have a message from you,
"I'm all alive and whole".

So welcome home, you service boys,
With all your tales to tell,
Welcome home from seas and isles,
And welcome back from hell.

I'm sure if our Saint Patrick
Who is gone above to bliss
Would say if he could meet us,
"Sure'n, heaven's just like this".
